

ACTIVITIES HELD

1. Past – Throughout the academic year 2023-24, the social outreach committee conducted several NGO visits. Apart from that, a donation drive was also conducted which garnered donations from students beyond the domain of AICUF as well. Activities like this create a sense of community engagement and serve to inspire the youth to actively contribute to society. The next exciting part of our overall activities is the 'YES Camp', focusing on personality development. Towards the end of the year, we hosted a 'Christmas Carnival'. After this we had a Christmas Carolling event along with the launch of the Phoenix Magazine.

2. Present – We started this year’s activities on the World Music Day by conducting ‘Melodic Mosaic’, a safe space for student performers to present their music and song performances in a light-hearted and free environment.
